

Hi folks,

The summer camp info is now posted on the website. It is under 'Programs and Calendar - Camps - Junior Summer Rowing Camps'. There is a lot of information and we are offering a few different camps this summer than we have in past summers. Of note we have options for our members to sign up for half of session 1; either the first 3 week or 2<sup>nd</sup> three weeks. There are also camps for those that do not want to or are not able to row two times a day. Please see website for a full description.

Please make a note that the camp registration and deposit (\$250 for most of the camps) are due by May 1, 2006. There will be a late registration fee of \$50 for registrations and/or deposits received after this date.

This summer as in all past summer, there will also be the same option of a \$75 discount for those who help with 10 days of the Youth/ Learn to Row camp from 12:00 - 3:00. In addition, we are working on opportunities for campers who want to participate in the High Performance/Competitive camp but need some financial aid, please ask Dori for details on financial aid. We are also working with a few local organizations that are helping to provide work opportunities during the 12:00 - 3 hours the weeks we do not have Youth/ Learn to Row camp. The hours worked will help to offset the cost of the High Performance/Competitive Camp.

Summer is almost here! Time to plan!
